Annita Zhong was recognized on the PTAB Bar Association’s inaugural Top 50 Women in PTAB Trials list. The list honors female attorneys in private practice or at companies who have appeared in the highest number of PTAB trial proceedings since 2012. It was released by the association’s Women’s Committee as part of a two-year focus on women practicing before the PTAB. Annita and the other honorees will also be featured in the association’s upcoming report on “Women at the PTAB,” which studies gender diversity at law firms and companies participating in PTAB proceedings.
